2022

## CHRISTMAS AT ST GILES

We are excited to offer this fantastic opportunity to immerse yourselves in the Magic of St Giles.

St Giles is the perfect venue to reflect on the past year and celebrate with friends, family, or work colleagues.

From our gold adorned drawing rooms glittering with light, to the warm glow of our open fires and the speakeasy bar and club, let us help you show those most important to you they are worth it.

## YOUR PARTY NIGHT

During your time at the house, you'll have exclusive use of the house from 6pm to 12am. Late night licence available too.

Begin the evening by welcoming your guests in the Drawing Rooms with a glass of St Giles sparkling Countess in hand - or perhaps one of our carefully curated festive cocktails.

Afterwards, tuck into a three-course dinner in the Library; delivered by one of our carefully selected caterers who offer everything from traditional roasts, to sharing platters, to live cooking over open fire.

Move from decadence to "deca-dance" for the grand finale in our secret basement bar and nightclub!

*6pm: Drinks reception & canapes*

*7pm: Dinner in the library*

*9:30pm: Nightclub reveal*
