# THE RIDING HOUSE

The Riding House is the perfect retreat for groups to unwind and connect.

The eight-bedroom accommodation; based in a 17th century stable conversion, has been lovingly restored within the grounds of St Giles House, while maintaining its rich history.

The fabric of the Riding House has been preserved, bringing modern day comfort whilst still maintaining a presence of the original horse stables.

Within the building, there is a first floor lounge, complete with billiard table and well stocked bar.

Downstairs, our fully fitted kitchen is ideal for our preferred list of caterers to prepare a homemade favourite, or impress your guests with their fine dining choices.

Breakfast can be provided by the St Giles team, and we can organise lunch, cheese boards, charcuterie platters and a fridge full of snacks and soft drinks should you require.

The rustic dining room that seats up to 30 is custom designed for hosting on-site guests. Dress it up for a sit down feast or tone it down for lazy grazing plates with a bottle of local sparkling.

For ease and to ensure a magical stay, we have put together a selection of activity, catering and bar options.

# BEDROOMS

Each unique bedroom is fitted with a standalone shower, roll top baths and beds draped in White Company Egyptian cotton.

## Ground Floor

**Skewbald** - Original stable gates separate the bathroom from the four poster bed, all of which sits on exposed brick floor.

**Roan Suite** - A separate entrance brings you into the two bed suite, complete with accessible wet room and mezzanine second bed.

## First Floor

**Chestnut** - The only bedroom with a log burner, Chestnut is all set on one level and has views across the courtyard and towards St Giles House.

**Bay / Palomino / Dapple Grey / Buckskin / Dun** - All similar in layout with a king size bed and mezzanine bathroom, these five bedrooms have individual styling with warm, colourful fabrics.
